Tēnā koe ano Steve,

No worries, thank you for the response.

At this stage, our understanding is that:

1. Parts of the Waikato-Tainui video evidence may be played in the Hearing;
2. parts of the Te Arawa videos may be played in the Hearing; and
3. all of the videos are watched prior to the session.

Ngā mihi

Can you clarify if you intend to show these videos as part of your evidence / presentation in your appearance slot. Or are you expecting them to have been watched prior to your session.

Kind Regards
