# Event health and safety plan

The Event manager/hosts must follow broad procedures as laid down in the Lake Karapiro event management guide at all times with specific additions where appropriate for the safe management of their own event.

Almost all risks can be planned for and minimised by following some simple planning guidelines.

The event managers are responsible for the overall organisation of their event. It is very important that the event managers work closely with all people who have the responsibility of looking after different aspects of their event.

In today's event environment, event management is being held accountable when things go wrong. Health and safety and risk management are key areas of operation.

By working alongside you as event Managers/hosts, Lake Karāpiro management can help to ensure patrons remain safe without harming themselves or others.

3. EVENT PERSONNEL	(Staff	/volunteers	/com	petitors	/spect	ators
